From the Mayor's Desk

On May 2nd of this year, Edmonston will conduct its 44th municipal election. After much discussion and personal reflection, I have decided that I will not seek a 4th term as your Mayor. Few decisions in my life have been as hard this- Edmonston is my home that I love and labor for every day. However, making this decision is the right thing to do. And I wanted to share with you my reasons for leaving office after six years in your service.

I recently joined the administration of our new County Executive, Rushern Baker (being Mayor is a volunteer position). In time, I will be involved in a new program that will ensure the effective delivery of services across Prince George's County- our town included. It is likely that possibility of conflicts of interest would arise - and the appearance of such would certainly exist. Given those circumstances, staying

in this position as your Mayor would be unacceptable.

This decision is made somewhat easier by the fact that we have achieved many of the goals we set forth six years ago. In my first campaign, I made three promises to you: to make Edmonston cleaner, safer, and to strengthen our community.

Through code enforcement, better staff management, public murals replacing graffiti covered walls, and our emphasis on environmental responsibility, Edmonston is undoubtedly cleaner. Through a more professional, 24-hour police department with a robust emphasis on community policing, we have reduced crime by a stunning 70%. By ending the bickering in town meetings, hiring bilingual staff, and establishing policies that promote "diversity without division" regardless of race, income, sexual orientation or language, we have a stronger and more united community.

We also have many transformative accomplishments and a communal

legacy to be proud of. We stuck together and fought for environmental justice for our community after years of terrible floods - an era that came to an end with the construction of our \$8 million pumping station. Our Green Street is a beautiful asset that is a model for sustainability and environmental responsibility around the world - a fact that is affirmed by a recent visit by United Nations officials.

And after decades of repression, we are finally telling and celebrating the story of Emily and Adam Plummer, the former Riversdale slaves whose courage, strength and vision led to the founding of our community after the Civil War. In so many ways, our small corner of the world has made a huge impact that will be felt for generations to come.

It was in Maryland that George Washington resigned his commission as General of the Continental Army, at the height of his power. My experience is by no means comparable, but I am mindful of his example which demonstrates the importance of "letting go" in public life. In a democracy, no official is irreplaceable. Our success as a town, state and nation is due in large part by our system's ability to bring new people to power and our ability to adapt to the changes happening in the world around us.

On a personal note, I cherish the friendships I have developed with many

of you that I otherwise would not know. We have worked together, shared ideas, and broken bread together (or pupusas). We have suffered crushing disappointments through fires, floods and devastation, yet we also experienced incredible triumph as we overcame and accomplished great things.

When I represent Edmonston at hearings, conferences, and meetings or in the media, I am filled with pride and humility. For me, being your Mayor has been by far the greatest privilege of my life; and from the bottom of my heart, I thank each of you for the opportunity and honor to serve you.

I will pass the gavel to the next Mayor when she or he is sworn in on June 6th. Although I will no longer hold that title, I warmly remain your neighbor and friend.

Sincerely,

Adam Ortiz

*Desde el
escritorio del
Alcalde*

El 2 de mayo de este año, Edmonston realizará su 44^a elecciones municipales. Después de mucha discusión y reflexión personal, he decidido que no buscaré un cuarto término como su alcalde. Algunas decisiones en mi vida han sido duro como este. Edmonston es mi hogar que me encanta, es el lugar por la cual trabajo y lucho a diario. Sin embargo, esta decisión es lo correcto. Quería compartir con ustedes mis razones para abandonar el cargo después de seis años en el servicio.

Recientemente me une a la administración de nuestro nuevo Ejecutivo del Condado, Rushern Baker (siendo que alcalde es una posición de voluntario). Próximamente, participare en un nuevo programa que garantice la prestación de servicios eficaz a través de todo el Condado-de Prince George nuestra ciudad incluida. Existe buena probabilidad que se plantearía la posibilidad de conflictos de intereses y la aparición de tales existiría sin duda. Dadas estas circunstancias, permanecer en esta posición como su alcalde sería inaceptable.

Esta decisión se hace un poco más fácil por el hecho de que hemos logrado muchos de los objetivos que fueron

establecidos hace seis años. Durante mi primera campaña, les hice tres promesas: que Edmonston más limpio, más seguro y a fortalecer nuestra comunidad.

A través de la ejecución de código, la administración de personal, murales públicos reemplazando paredes cubiertas de grafiti y nuestro énfasis en la responsabilidad ambiental, Edmonston es sin duda más limpio. A través del Departamento de Policía más profesional, de 24 horas con un fuerte énfasis sobre policía comunitaria, hemos reducido la delincuencia por un sorprendente 70%. Al poner fin a las disputas en las reuniones de la ciudad, la contratación de personal bilingüe y establecer políticas que promuevan la "diversidad sin división" independientemente de la raza, ingresos, orientación sexual o idioma, tenemos una Nuestra comunidad es más fuerte y más unida.

También tenemos muchos logros transformadores y un legado comunal para estar orgullosos. Nos unimos para luchar por la justicia ambiental para nuestra comunidad después de años de terribles inundaciones - una época que llegó a su fin con la construcción de nuestra estación de bombeo de 8 millones de dólares. Nuestra calle verde es un hermoso activo que es un modelo para la sostenibilidad y la responsabilidad ambiental del mundo - un hecho que se afirma en una reciente

visita por funcionarios de las Naciones Unidas.

Y después de décadas de represión, finalmente estamos contando y celebrando la historia de Emily y Adam Plummer, (ex esclavos de Riversdale) cuyo coraje, la fuerza y la visión que llevó a la Fundación de nuestra comunidad después de la Guerra Civil. De muchas maneras, nuestro pequeño rincón del mundo ha hecho un enorme impacto que se sentirán para que las generaciones venideras.

Fue en Maryland, que George Washington renunció a su Comisión como General del Ejército Continental, en el apogeo de su poder. Mi experiencia es en nada comparable, pero soy consciente de que su ejemplo que demuestra la importancia de "dejar ir" en la vida pública. En una democracia, ningún oficial es irremplazable. Nuestro éxito como una Ciudad, Estado y Nación es debido en gran parte por la capacidad de nuestro sistema de traer gente nueva al poder y nuestra capacidad para adaptarse a los cambios que ocurren en el mundo que nos rodea.

En una nota personal, atesoro las amistades que he desarrollado con muchos de ustedes, que de lo contrario no lo conocería. Hemos trabajado juntos, ideas compartidas y compartido pan (o pupusas). Hemos sufrido decepciones aplastantes a través de incendios, inundaciones y devastación, pero

también experimentamos triunfos increíbles al vencer y lograr grandes cosas.

Cuando yo represento Edmonston en reuniones, conferencias y audiencias o en los medios de comunicación, me llena de gran orgullo y humildad. Para mí, ser el alcalde ha sido por mucho, el mayor privilegio de mi vida; y desde el fondo de mi corazón, doy las gracias a cada uno de ustedes por la oportunidad de honrar y servirles.

Transmitiré el martillo para el próximo alcalde cuando ella o él tomen juramento el 6 de junio. Aunque ya no tendré ese título, sigo siendo calurosamente su vecino y amigo.

POLICE DEPARTMENT

PFC Kyle Minnick
Officer of the year Nomination 2010

Officer Kyle Minnick has been chosen as the Edmonston Police Departments Officer of the Year for 2010.

Officer Minnick has been selected for this prestigious honor for his outstanding performance. Officer Minnick issued 590 state tickets, 135 parking tickets and 175 warnings. He made 24 criminal arrests and 21 drunken driving arrests.

On October 6, 2010 Officer Minnick responded to a call for a man struck by a train. While other officers on the scene were working to direct emergency medical personnel to the scene, Officer Minnick and Officer Nemser of the Hyattsville PD were stabilizing the severely injured victim to prevent further injury. These two officers, working in extremely sub freezing temperature, helped to save the life of the victim. Officer Minnick received a lifesaving award from the Hyattsville Police Department.

On December 19, 2010 Officer Minnick responded to assist a Bladensburg Police Officer who had called for emergency backup/signal 13. Officer Minnick arrived on the scene and observed several suspects physically jumping on the back of Officer Johnson. Officer Minnick assisted in arresting the suspects without any injury to officers or suspects.

On March 2, 2010 Officer Minnick responded to assist Cheverly PD with a vehicle wanted for hit and run that was located on Kenilworth Avenue. The car had been involved in a collision and was now on fire with two women trapped inside. Officer

Minnick, without any regard for his personal safety, ran to the vehicle and extinguished the flames with a fire extinguisher. Officer Minnick then stayed with the trapped occupants until the fire department arrived and freed them from the vehicles.

CIVILIAN OF THE YEAR

Carmelita Ramirez

My nomination for the Edmonston Police Department Civilian of the Year for 2010 is Ms. Carmen Ramirez.

Ms. Ramirez had been employed by the Edmonston Police Department for several years and has become a valuable if not critical employee of our agency. Ms. Ramirez performs clerical duties, i.e. filing reports, submitting citations, completing and filing UCR reports and many other tasks. She is also a part time Code Enforcement Officer. It is important to note that this is not done in addition or outside of her other duties but instead is mixed into her daily shift, making for a very busy day.

Ms. Ramirez also serves as Spanish Language translator for all Town employees when needed. This specific task is critical with our changing demographics, especially for police department functions. This task, and her easy going and friendly demeanor have also dramatically helped to foster trust between the Hispanic Community, the Police Department and the overall Town Government. This would absolutely not have been able to be accomplished without the efforts of Ms. Ramirez.

Ms. Ramirez is a hard working, dedicated employee that is most deserving of the prestigious award of Civilian of the Year for Prince Georges County.
